It will be seen from Mr. Srikanteswara Iyer's letter now received that the Sur: Nos granted to him are not the same, except two and that the extent granted is 10 gunta in excess.

From the scale of Receipts & Expenditure proposed by Mr. C. Srikanteswara Iyer, it will be seen that a net income of Rs 400 is expected from the lands and that an expenditure to the same extent for (1) maintenance of two Nandadeepams (2) for maintenance of 72 Deeparadhane lights (3) for feeding at Sivakutam, at one seer of rice per day, and for Sankarpane on the Rathotsavam Day during Dodda Jatre, has been proposed. Till the full income of Rs 400 is realized, Mr. Srikanteswara Iyer has offered to make good the balance required for expenditure for the performance of services proposed by him.

Before accepting the endowment, it is a point for orders whether it is not necessary to obtain information in the matter of change in the S.Nos granted to Mr. Srikanteswara Iyer and also as regards the excess grant, which is only 10 gunt.as
